Dear last Minute team

We wanted to take a moment to express our appreciation for the wonderful Eid event that you organized. In addition, the food was delicious and the activities provided were engaging and enjoyable.

Since we will certainly work together in the future, I would like to draw your attention to the following:

- Taking into consideration that Al-Jazira Capital logo must be used in their events, and you cannot use Bank Al-Jazira logo for them
- To gate permits for all workers prior each event, and not to provide us with workers who are classified as banned from work
- To make sure that service providers are present in all buildings 1 hour before any event

Overall, it was our pleasure to choose LAST MINUTE for this occasion, and we look forward to working together in the future.

Please find the attached activities that we are planning to have towards the year end. It would be appreciated if you can have a look at it & share your proposal & estimated cost.

The below are the ones we require an official focused proposal:

- National day
- Kids day - bring your child
- Bank Establishment Anniversary
- Year-end Annual Gathering

Thank you again for all your hard work and dedication.

Dear Joud,

As requested, I am sharing our feedback on the National Day Event. We are pleased with the efforts of the Lastminuteteam, who met our expectations and delivered a successful event across all locations.

We understand that the plan changes for the event caused a delay in finalizing the decorations, with work continuing at HQ until 6:00 AM.

However, our goal is to ensure that all preparations and decorations are completed no later than 11:00 PM on the night prior to the event.

Thank you, and we look forward to partnering with you on the upcoming events and activities.

Regards,

Amal
